

International Hand Launch Glider Festival 2003

June 7 - 8 2003
Poway Flight Center

IHLGF Update

The world's largest and most respected Hand Launch Glider contest, the TPG's own International Hand Launch Glider Festival, is only a month away. We currently have 72 pilots registered representing 5 countries including Canada, New Zealand (with 4 pilots), Japan and Brazil and 13 states.

Within the states it looks like an East vs. West challenge! Kentucky, Maryland, Massachusetts, New Jersey, North Carolina, and Pennsylvania are all sending their big guns to the left coast to do battle with California, Colorado, Nevada, Oregon, Utah, and Washington. That leaves Texas as the tie breaker. We will let Don Cleveland decide which Coast Texas will represent.

Or, being from Texas and knowing how Texans think, Texas may just decide to represent the whole mid-west all by themselves! Whatever, the IHLGF is going to be a great, fun contest.

As you may have noticed, 72 is less than the 90 pilot limit. See what a Texas education will do for you. Hence, there are still some openings for the IHLGF 2003. So, if you aren't doing anything else on June 7-8 and want two days of great HLG/DL flying with some of the best pilots in the world, go to the TPG website (www.torreypinesgulls.org) and get all the information and forms necessary to register. If you are computer challenged, just give me a call and I will be happy to send you a registration packet. Hurry! Registration ends May 15th.

The following frequencies are available (now): 11, 21, 28, 35, 36, 45. If you don't have one of these frequencies and want to enter the IHLGF, give me a call.

If I can be of any assistance, please let me know.
